

MANOMETRI PER TERMOIDRAULICA

Pressure gauges for
thermo-hydraulic applications

- Manometro cassa ABS nera, DN 63, interni ed attacco in ottone, completo di lancetta rossa.
- Pressure gauge, ABS black case DS 63, brass internals and connection, with red pointer.

- Manometro cassa metallica nera, DN 80, interni ed attacco in ottone, completo di lancetta rossa.
- Pressure gauge, black metal case DS 80, brass internals and connection, with red pointer.

- Manometro cassa metallica nera, DN 100, interni ed attacco in ottone, completo di lancetta rossa.
- Pressure gauge, black metal case DS 100, brass internals and connection, with red pointer.

➤ DN 63

➤ CAMPO SCALA ➤ RANGE

0/6 bar / Psi
0/10 bar / Psi
0/16 bar / Psi

➤ ATTACCO ➤ CONNECTION

radiale 1/4" gas
bottom 1/4" bsp
